

SprintSuite Referral Program

*Get rewarded for introducing
contractors to SprintSuite*

AT A GLANCE

The SprintSuite Referral Program is designed for individuals and businesses who work closely with contractors and trade businesses and want to be rewarded for making introductions.

You refer a business to SprintSuite. SprintSuite manages the sales process, onboarding, and ongoing support.

Ideal for:

- Industry partners
- Consultants & advisors
- Clients and customers
- Accountants, bookkeepers & service providers
- Anyone with contractor connections

MEET SPRINTSUITE

SprintSuite is an all-in-one workforce and operations platform purpose-built for contractors operating in complex, high-compliance environments.

Through the Referral Program, you can confidently introduce SprintSuite to contractors who would benefit from better visibility across workforce, compliance, projects, and reporting — without needing to sell or support the software yourself.

SprintSuite handles sales and contracting, client onboarding, platform delivery and updates, and technical support.
